**Naples Rib Company Donates to 35 Non-Profits During  
A 20-Day Anniversary Celebration**

**Long Beach, Los Angeles County, CA** – Family-owned and operated Naples Rib Company, a community-focused barbeque and catering restaurant, celebrates its 35-year anniversary November 1-20 by donating 20% of all dine-in and take-out sales to 35 local and national charities. The program runs November 1-20, 2018 at both Naples Rib Company in Long Beach and at the family's second location, Newport Rib Company, Costa Mesa, CA.

"We enjoy being able to give back to the community that has supported us over the past 35 years," says Dave Ursini, co-owner of Naples Rib Company. "There are so many non-profits doing amazing work in our community so it is a privilege to contribute to their missions."

"Many of the charities were selected because our family, customers or employees have been positively affected by them," says John Ursini, co-owner of Newport and Naples Rib Company. "For example, many of our diners enjoy our expansive gluten-free menu and so it was natural for us to select the Celiac Disease Foundation as a beneficiary of our anniversary celebration."
