**Newport Rib Company Donates to 35 Non-Profits During  
A 20-Day Anniversary Celebration**

**Costa Mesa, Orange County, CA** – Family-owned and operated Newport Rib Company, a community-focused barbeque and catering restaurant, celebrates its 35-year anniversary November 1-20 by donating 20% of all dine-in and take-out sales to 35 local and national charities. The program runs November 1-20, 2018 at Newport Rib Company, in Costa Mesa, and at the family’s second location, Naples Rib Company in Long Beach, CA.

“We enjoy being able to give back to the community that has supported us over the past 35 years,” says Dave Ursini, co-owner of Newport/Naples Rib Company. “There are so many non-profits doing amazing work in our community, so it is a privilege to contribute to their missions.”

“Many of the charities were selected because our family, customers or employees have been positively affected by them,” says John Ursini, co-owner of Newport Rib Company. “For example, many of our diners enjoy our gluten-free menu, so it was natural for us to select the Celiac Disease Foundation as a beneficiary of our anniversary celebration.”
